

# Mission Alignment

## **Mission of the Alaska State Board of Education & Early Development**

To ensure quality standards-based instruction to improve academic achievement for all students.

## **Mission of the Kenai Peninsula Borough School District**

To develop productive, responsible citizens who are prepared to be successful in a dynamic world.

## **Mission Statement of Kenai Peninsula Borough School Counseling Program**

To develop and deliver a comprehensive school counseling program for all students which addresses the academic, career, and social/emotional development of all students by partnering with faculty, staff, parent/guardians and community to facilitate student growth and success. As professional school advocates, school counselors facilitate services to ensure students have equal access and opportunity to gain the attitude, knowledge and skills necessary to be successful in a dynamic world.

## **Mission of Skyview Middle School**

Through a cooperative effort between school, home, and community, our students will demonstrate increasing proficiency in core subjects as determined by state and national standards. We will encourage the exploration of fine arts, applied arts, and extra-curricular activities. We commit to a comprehensive system of support to assure this outcome.

## **Mission of Skyview Middle School Counseling Program**

As a professional advocate, the school counselor will develop, deliver, and facilitate a comprehensive school counseling program that uses data driven decisions to address the academic, career, and personal/social development of every student by partnering with administration, teachers, staff, parent/guardians, community, and all stakeholders in order to ensure individual student growth, academic motivation, and the knowledge and skills necessary to be successful in a dynamic world.
