

April 30, 2018

Dear Parent(s)/Guardian(s):

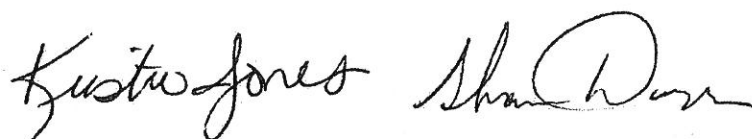

This summer, your child has a great opportunity to grow and build their language arts skills. Every Skyview student has access to IXL this summer! Students can get on and practice new skills or brush up on skills they learned in previous grades. See the enclosed IXL letter for more details on how to log in and access this great resource.

Students have made immense progress this school year with their writing skills and we want to keep that momentum going into next year! Please encourage your child to not only read this summer, but also **write** for fun! Have them keep a journal of what they do this summer, write a story about something they enjoy, or write letters to family members. Anything they can do to write this summer will help them maintain the skills they have gained this school year!

When your child writes, edit it for simple mistakes like capitalization (proper nouns, first letter of sentence), punctuation (periods at end of sentences), and spelling.

Have a great, fun-filled summer! We look forward to seeing your child next year!

Sincerely,

Handwritten signatures of Kristin Jones and Shannon Dwyer in cursive script.
